Summer Camp Mission

If you are looking for a fun-filled, action-packed summer camp, Look No Further ! It's Time to register for ACA Summer Camp 2014 ! We're happy you have chosen ACA as the place for your child's Summer Fun ! We promise to provide a safe environment with high quality programs that educate, engage , and enrich your child's life. It will be a Summer to Remember!

Campers will discover a summer full of fun and adventure when they sign -up for camp with ACA ! Each day ,we will do our best to deliver new experiences, friendships, and memories that will last a lifetime and have them eager to return next summer .At camp ,every young person that we serve has the opportunities to participate in wide variety of indoor and outdoor activities. So, whether you are looking for exciting fieldtrips, swimming, academics, arts & crafts, or just running and playing with close friends, you will find an amazing variety of summer camp adventures waiting for your child(ren). Our goals at ACA for your child are to * develop self confidence, self respect ,and an acceptance and appreciation of their own worth as individuals * form good habits of health and physical fitness *recognize the worth of all persons and develop their capacity for leadership and use them responsibly in their own group. Again we at ACA thank you for entrusting us with your most prize possession !
